

THE CHILDREN'S PROJECT

THE MUSEO DE LA MEMORIA

MUSEO CASTAGNINO

AGRICULTURA URBANA PROJECT

CENTRO CULTURAL LA GRIETA

THE TOBA'S COMMUNITY PROJECT

THE INCLUSIÓN SOCIAL PROJECT

PROJECTS LOCATED IN ROSARIO AREA

- **The Toba's community:** a social project with natives' inhabitants of Argentina and a group of Anthropologists. The University of Rosario carries out this work. Participants get to know the Toba's culture while they work on handicrafts, paper recycling, cloths production or as children entertainers.

More information at: <http://centroculturalelobrador.blogspot.com>

- **The Children's project*:** an educative project carried out by the Government of Rosario. Volunteers receive a training on Tuesdays and work as children entertainer at educational games on Saturdays or Sundays.

For more information: www.rosario.gov.ar/sitio/lugaresVisual/verLugar.do?id=3406

- **The Grieta:** a project in an ancient and recognized cultural center held in a poor neighborhood of the city. Volunteers help promoting the performances and workshops, and they support the technical maintenance of the Center. In February volunteers can work for the Carnival festivity.

More information at: <http://milonga.wikispaces.com/lagrieta>

- **The Inclusión social:** a project done by the Universidad de Rosario and located in 5 different neighborhoods. The goal is to improve the quality of life of the people who need it most. Volunteers work mainly with children and teenagers at music and street art workshops.

More information at:

www.unr.edu.ar/noticia/1552/prevencion-para-jovenes-en-riesgo-social

- **The Museo de la Memoria:** A conscience museum about the dictatorship in Argentina. This Museum is member of the International Coalition of Sites of Conscience and a worldwide reference for Conscience Museums. Participants volunteer here as foreign language guides under demand, a few hours per week.

More information at: www.museodelamemoria.gob.ar

- **The Museo Castagnino of Rosario.** This is an art museum. Participants volunteer here as foreign language guides under demand, a few hours per week.

For a virtual visit of the museum see www.museocastagnino.org.ar.

- **Programa de Agricultura Urbana:** This project consists of recovering city places to cultivate organic and fair-trade agricultural products. Since 2001 many unemployed people could find a recognized work at this project. A large variety of organic products are cultivate and sold at city markets. Participants have to find the ways of promoting this project in the world and volunteer as foreign language guides under demand, a few hours per week.
